Disney's
BEAUTY
and the
BEAST

DIRECTOR'S NOTES

Disney's *Beauty and the Beast* is truly a tale as old as time. Its endurance through the years is due in part to its emphasis on a theme that transcends the story itself. That theme being the power of learning to see past each other's differences and find commonality in our humanity. It's a beautiful message to embrace, now more than ever.

Fairytales lure us in with fantasy, adventure and romance, but it seems to be the moral questions and lessons that each tale weaves that bring us back to the story again and again. They are neither historical nor contemporary, but ever present in our everyday life. It has taken more than a "small provincial town" to put this production together. Thank you to our entire Tiger Drama community for fostering a creative environment of love and support in this theatre.

If this is the first time you have attended a Tiger Drama production, we hope it will become a habit and that you will look forward to future LC performing arts events including our visual art shows, band, choir, and orchestra concerts. If you're a regular patron, we thank you sincerely for your support in joining us for our 2024-2025 MAGIC, MYSTERY, and MAYHEM season! We hope to see you at *Clue*, *The Drowsy Chaperone*, and our *Closing Night Showcase*.

So please, sit back, relax, and "Be Our Guest"!
