MISSION

To provide our students and community opportunities for **ENTERTAINMENT, ENRICHMENT, & EDUCATION** through exceptional theatre arts and the applicable life skills theatre develops.

VISION

Tiger Drama establishes an environment where all members **CHALLENGE** themselves as individuals, **COLLABORATE** with others to create their best work now, and **CONNECT** with other artists in and outside Lewis & Clark to be lifelong supporters of the arts.

TIGER DRAMA EXPECTATIONS

ENGAGE. To benefit from this class, you need to commit to your learning. Listen, put forth effort, and avoid distractions (especially personal devices).

BE BOLD. Take risks. Make choices. Try things without the guarantee of success. Taking chances and truly engaging in discovery are the keys to learning.

SHOW RESPECT. For our classes and department to be successful, we must feel safe and comfortable giving and receiving constructive criticism. Show respect for your teacher, yourself, and your classmates. Do work that makes you proud. Offer constructive criticism to your classmates (no put-downs) and come prepared to listen, contribute and learn.

GRADING POLICY

- Grading is based on meeting course standards and rubrics will be used to assess standards/provide feedback. *In a performance-based class, every student's involvement impacts every other student's learning opportunities. You will not be able to demonstrate learning if you do not actively participate.*
- **CREATING** - requires active involvement in class activities and interaction with the rest of the class. You'll have a hard time meeting this standard if you struggle with tardiness/attendance.
- **PERFORMING** – Talent is not a consideration in grading/meeting a standard. You demonstrate your learning through setting and meeting goals throughout the year. If you are unprepared to perform, it demonstrates that you have not met the standard and your grade will reflect that.
- **RESPONDING** – Consistent reflection is how we grow. As you respond to your own work and the work of your peers, your skills will develop, and you will demonstrate the variety of skills you are learning in this class.
- **CONNECTING** – You will demonstrate meeting standards in this area through your critiques and sharing your thoughts in class discussions/activities.

For this class, we will regularly use Teams and OneNote/Class Notebook.
If you ever have technology issues, please communicate ASAP.

Radium Girls- 2018

ATTENDANCE

To earn a passing grade, students must spend a great deal of time involved in group activities. Students who are frequently absent/tardy cannot adequately contribute to or demonstrate their learning through group projects, rehearsals, and performances. Absence from class impacts everyone's learning opportunities. Everyone is a vital part of the class, and your presence is required. If health concerns impact attendance, we will pursue alternative ways to demonstrate learning.

CLASS/REHEARSAL DRESS CODE

Because this class focuses on creating characters and physical movement, proper clothing and shoes are required. Students should wear clothing that they can move easily in and feel comfortable sitting on the ground in. Closed toed shoes are recommended. Flip flops, high heels, and other clumsy footwear pose a serious safety risk. If you do not wear appropriate shoes or clothing to school, please bring appropriate attire and change into it before class begins.

A Midsummer Night's Dream - 2014

ADVANCED THEATRE ACTOR & PARENT/GUARDIAN CONTRACT

- I understand that this is a performance class, and *I WILL* memorize material and *I WILL* perform in front of the class.
- I understand that I will edit my content for appropriateness both in my everyday discussions and class performance material. Direct any questions about content to Mrs. Maguire.
- I understand that one of the requirements of *Intermediate Theatre* and *Stagecraft* are the *viewing of theatrical events* and completing a *critique* of the performances.

- I understand that a requirement of Tiger Drama Advanced Classes is *viewing 1 outside theatrical event* per semester and writing *critiques* on the performances.
- I understand that I need to bring appropriate dance/rehearsal clothing and footwear to class. I will also be responsible for taking my gear home and washing it.
- I understand that there may be some costs associated with participation in the program if I choose to be involved in *extra-curricular* productions or events. *Scholarships available.
- I give my consent for any production images and/or footage of myself/(my student) to be used for any promotional and/or archival use.

We ask that parents/guardians avoid restricting their student's involvement in any production after the student has been cast. Productions are contingent on ALL participants. If there are problems that could bar a participant from continuing in a show, we need to know as soon as possible to arrange a replacement.

The success of our program depends on student AND parent involvement! In 2013, Our Tiger Drama parents established a 501c3 organization known as **STAGE** (Supporting Theatre Arts Growth and Education). **STAGE** assists in fundraising, scholarships, publicity, costume construction, concession/ticket sales, and planning special events. If your student becomes involved in one of our productions, you will receive an email with volunteer opportunities and ways you can help support your student's participation.

Everyone is welcome at our meetings. Please consider joining **STAGE** and stay tuned for more information about how you can help support educational theatre in our school!
